Wakkerstrom District Gives Up to Brittsh, Who Are Closing In.

LONDON, June 14 -- Lord Roberts and Buller are now assisting each other. Parough the advance of the latter from Met, Gen. Botha, was compelled to fre from his position southeast of

He had stubbornly resisted Lord Roberts's forces for several days, but could not allow himself to be crushed between the two armies. So Lord Roberts reports:

"The enemy evacuated their strong sesition during the night and have re-tired to the eastward. Buller's force and mine have afforded each other mu

tual assistance. "Our occupation of Pretoria caused numbers of Boers to withdraw to Lat-tag's Nek, and Buller's advance to Volkbe shortly endangered."

Another despatch from Roberts, writcon yesterday morning, is as follows: "Methuen advanced to Honingspruit posterday and found all quiet. Kroonstadt is strongly held. Methuen return-

only thing to be done is to declare the position vacant. The trouble over Mins Ryan, or Mrs Melleher, arose a few days ago, when the following entry was discovered in

the records of the Board of Health and Vital Statistics: "On Feb. 24, 1898, Grace Ryan, married

to J. Francis Kelleher, by Mgr. Rober eton, Jereey City." Miss Ryan is twenty years old. Her

home is at 241 First street. She was espointed December, 1816, and is now seceiving a salary of \$105 a year. the continues to live with her mother. Mr. Kelleher lives on Jersey City

Meights and declines to be interviewed on the subject of marriage. Mgr. Seton cays the record speaks for itself. He filed the marriage returns.

Sled the marriage returns.

There are two factions in the Board of Education. One says that Miss Ryan should be allowed to serve out the sensor term and to draw her salary for the vacation months, July and August, before she resigns as teacher. There is another faction, headed by Director Charles O. Barker, which favors Miss Ryan's dismissal to-night on the strength of the na riage certificate as clied by Mgr. Seton.

"Miss" Ryan's victory at to-night's meeting of the Board of Education is assured. Democratic leader Robert Davis will help her to continue as teacher and keep on supporting her mother. The Board will assume that, in the face of "Miss" Ryan's desiral of her marriage there is not enough evidence to prove the marriage. She will resign Sept. 1.
